

Evidence for Learning – Family App

Logging In Guide

(For existing Parent Portal users)

The Evidence for Learning - Family App is now available via the App store (Apple devices) and Play Store (Android devices).

- 1- Go to your app store/play store and search for Evidence for Learning Family, look for the app pictured below.

Evidence for Learning - Family
theTeacherCloud Ltd

- 2- You will have been sent an email from **Evidence for Learning** the email will give you details of where to download the free EFL Family App and also give you your **log in details** and our **domain (applefields)**. Example below;

Evidence for Learning External Inbox x

Evidence for Learning <services@theteachercloud.net>

to me ▾

Hi Amy Swan

NOTE: Please do not reply to this email. If you have any queries please contact your administrator at Applefields School.

Here are your login details for your Family user account for Evidence for Learning at Applefields School.

The Evidence for Learning Family app can be downloaded from the App Stores using the links below.

Your login details are...

Domain: applefields

Username: aswan@applefieldsschool.co.uk

Password: Your password will be on the email here

Regards

Services Team - Evidence for Learning

3- Once the app is downloaded, you will be able to log in via the screen pictured below.

Log in screen

**Our domain is –
applefields
(This is case sensitive)**

EVIDENCE FOR LEARNING

Sign in

Domain applefields (This is case sensitive)

User name Your email address

Password Your password you were given in the email

SIGN IN

[Forgot Password?](#)

HINT: Please contact your school if you have forgotten your Domain or Username.

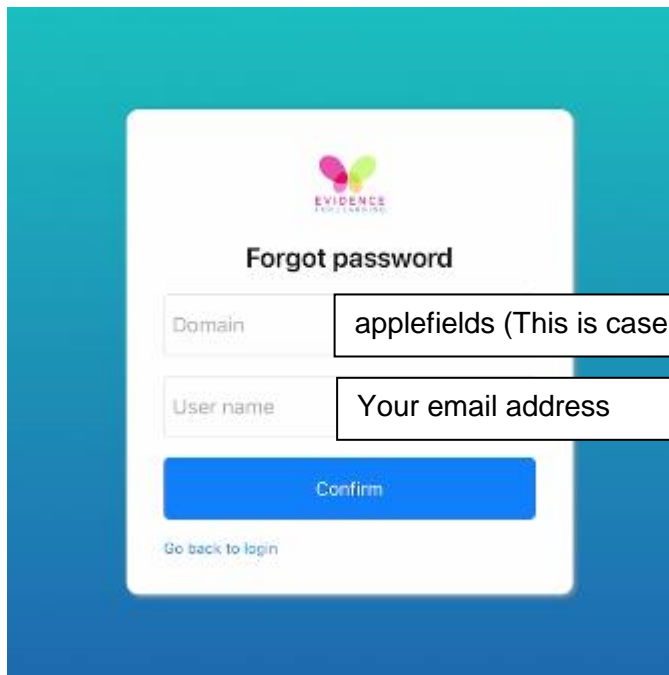

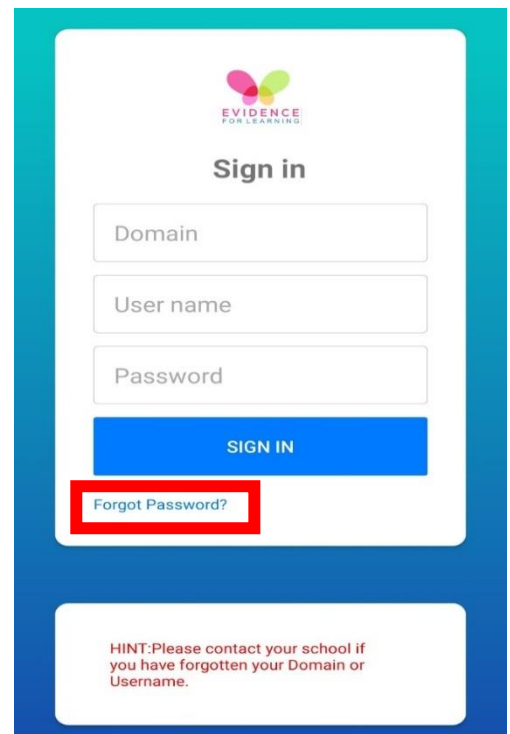

Once you have inputted your log in details press **Sign in**

You will now be able to access the EFL Family App

4 – If you have forgotten your password for parent portal

Press the Forgot password link – in the read rectangle to the side.

Or email aswan@applefieldsschool.co.uk and I will reset your password for you.

After you press the forgotten password link you will need to fill in the domain and your username as per this example.

This will then send you an email from Evidence for Learning with a new password.
